Ellen,

I have one more idea...I checked the Forest Service's project site and searched for our comments. Unfortunately they were broken up before they were posted, but they are all there, it would appear. The person who submitted the comments on behalf of our coalition was Denice Perrault, on 1/27/2013. Here is a direct link to the search results page for our comments:

<https://cara.ecosystem-management.org/Public/ReadingRoom?Project=24544&SearchResultsPerPage=25>

If that link doesn't work, just go to <http://www.rosemonteis.us> and then click on "view public comments" on the left, and then search for our organization, Save the Scenic Santa Ritas, or for Denice Perrault.

Hope this helps. But as I said, if you would prefer a copy on a cd, I can get this to you as well.

Thanks,

Lisa

Hi Lisa,
I have been trying to download the Rosemont comments and have not been successful. Is there any other way you can send them to me so I can bring them up on my screen. My email is athas.ellen@epa.gov

Thanks,
Ellen
